The Restaurants of

Brevoort Hotel

Invite Your Patronage

The primary purpose of Brevoort Hotel is to provide the best possible accommodation for the traveling public. It is essential that the restaurant service shall be of the very highest order and that the prices shall be moderate. The net result is better food, better served in a better environment, than might reasonably be sought at the same moderate cost under other conditions. Permanent residents of Chicago as well as visitors are invited to take advantage of this at breakfast, luncheon, dinner and late supper time.
